

Year Group:	1	Subject:	Art
Term:	Autumn week 1 & 3	Topic:	Love for Landscapes

What I already know...

I have practised colour mixing

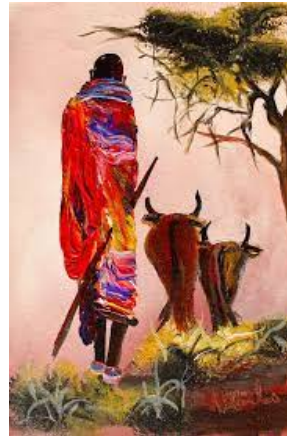

We have learnt what a landscape is in literacy by looking at stories and non-fiction books.

New vocabulary

blend	mix together to become one.
-------	-----------------------------

vastness	understand the good things about something
----------	--

appreciate	largeness in size
------------	-------------------

What I know now...

I know who John Ndambo is and where he came from and what sort of pictures he paints.

I know that people are less important in landscape pictures.

What I can do at home

Watch colourblocks on BBC I player.

Take some photos of different landscapes.
